

3rd Global Conference on

# Materials Science & Engineering

**April**  
**25-26, 2025**

**Venue:**

Double Tree By Hilton,  
DUBAI, UAE

**Theme:**

“Outlining the forefront research in  
the field of materials science and  
nanotechnology.”

**SCIENTIF****Ink**

# Invitation

Dear Attendees,

Scientifink is proud to announce the 3<sup>rd</sup> Global Conference on Materials Science & Engineering, to be held during April 24-25, 2025, in Double Tree By Hilton, DUBAI, UAE.

On this auspicious occasion, Materials World 2025 invites participants from all over the globe to take part in this flagship conference with the theme “Outlining the forefront research in the field of materials science and nanotechnology.” Materials World 2025 aims in affirming knowledge and share new ideas amongst Academicians, Scientists Professionals, industrialists, and students from research areas of Nanotechnology, Materials Science, Chemistry, and Physics to share their research experiences and indulge in brainstorming discussions and technical sessions at the event. The conference will also have a space for companies and/or institutions to present their services, products, innovations, and research results. If your company/organization is interested in participating in this event, then please let us know the same.

We have put together a program taking into account your interests. We have not only increased the number of opportunities for you to network with colleagues around the world, but we have also introduced additional target sessions which will include cutting-edge presentations, special panel discussions, and more lively interaction with speakers from different spectra.

This exciting and informative conference includes Keynote lectures, Oral sessions, symposia, workshops on a variety of topics, poster presentations and various programs for participants from all over the world.

Attend the Materials World 2025 with your peers, exchange experienced knowledge, and arm yourself with the most recent Innovations to enhance further in your career.

We look forward to meeting you in Double Tree By Hilton, DUBAI, UAE 2025.

**Best Regards,**  
**Materials World 2025**  
*Scientifink*

# About the Event

Materials World 2025 offers a tremendous opportunity to meet and make new contacts in the field of materials science and nanotechnology, by providing collaboration spaces and break-out rooms with tea and lunch for participants between sessions with invaluable networking time for you. It allows participants and delegates to have issues addressed on materials science and nanotechnology, by recognized global experts who are up to date with the latest developments in the field and provide information on new techniques and technologies. Materials World 2025 is an International conference that will feature world-renowned keynote speakers, plenary speeches, a young research forum, poster presentations, technical workshops, and career guidance sessions.

Materials World 2025 creates an international forum for Professors, Academics, Researchers, Scientists, Chemical Engineering professionals, and Business Entrepreneurs from all over the world to discuss the latest issues.

The Conference will have an area for firms and/or establishments to gift their services, products, innovations, and analysis results. If your company/organization is inquisitive about taking part in this event, then come and be part of this.

Hope you will take this opportunity to join us and visit the city of DUBAI, UAE

## Who Should Attend Materials World 2025

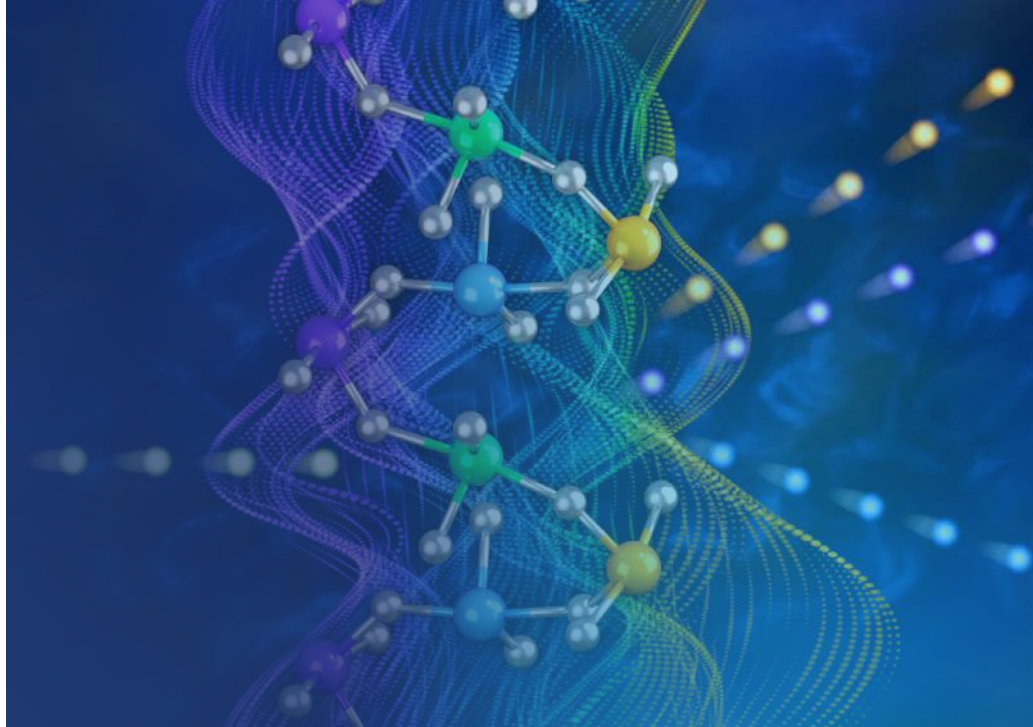

3<sup>rd</sup> Global Conference on Materials Science & Engineering uniquely designed for scientists, Nanoscience Researchers, Nanotechnology Professionals, Research faculties Academic Scientists, Nanoscience Students, Nanotechnology Engineers, Nanotechnology Associations and Societies, Nanoscience laboratory professionals, Start-ups & Exhibitors, Business Entrepreneurs, Associations and Collaborations, Industry Professionals from the field of Nanotechnology, chemical engineering, polymer science, Nano catalysis, biocatalysts, surface chemistry, of industrial catalysis, Physical Chemistry, Organic Chemistry, Inorganic Chemistry, Materials Science and others engaged in endeavors related to the analysis of Nanoscience and Nanotechnology and business.

## Reasons To attend Materials World 2025

- Up-to-date research, current and emerging Materials Science new technologies that will be exclusively discussed at the conference. Do not let old and outdated information hold you back!
- Discover how other research can play a key accelerator role in your work and give you a competitive edge in achieving precision in desired results. Discover better ways to innovate, collaborate, work, and report.
- Get inspired by talking face-to-face with thought leaders, subject matter experts, and peers. Tap into their knowledge; discover innovative services that can benefit your research work.
- With participants representing many countries, your ability to engage with global sustainability leaders and your opportunity to see your work from a global perspective will be worth it.
- Each presenter will have some time for a Q&A session after their presentation, where you might receive questions about a challenge in your workflow or are looking for advice on implementing new techniques in your work. Hence, you will get some solutions and tips, which might be helpful for you.
- An idea is usually generated intentionally and created unintentionally. Ideas are often formed during brainstorming sessions or discussions.
- Bring your expertise to the local level and help the community through collaboration and networking. If you would like to speak at the conference, please submit your content ideas and boost your professional status.

# Scientific Sessions & Tracks

- Materials Science and Engineering
- Nanomaterials and Nanotechnology
- Biomaterials and Healthcare
- Textile Manufacturing and Engineering
- Ceramics and Magnetic Materials
- Electrochemistry and X-ray Diffraction
- Catalytic Materials & Green Chemistry
- Nanoporous Aerogel Materials
- Mechanics, Characterization Techniques and Equipment
- Ceramics & Composites
- Applications in Material Science Engineering
- Chemical Synthesis and Catalysts Synthesis
- Organic, Inorganic & Physical Chemistry
- Emerging Smart Materials
- Advances in Nano Materials Science
- Nano Materials & Nanocomposites
- Computational Materials Science
- Optoelectronics, Photonics and Magnetic materials
- Physics and Chemistry of Materials
- Metallurgy, Corrosion, and Mining
- Surface Science and Engineering
- Emerging Trends in Materials Science
- Thin films, Corrosion, and degradation of materials
- Advances in Instrumentation Technology
- Advanced Materials and Devices
- Nanoporous Aerogel Materials
- Mechanics, Characterization Techniques and Equipment
- Ceramics & Composites
- Applications in Material Science Engineering
- Chemical Synthesis and Catalysts Synthesis
- Organic, Inorganic & Physical Chemistry
- Catalysis and Chemical Reactions
- Biological & Chemical Sciences
- Chemo-informatics & Computational Chemistry
- Nano catalysis & Nano chemistry
- Semiconductors: Fundamentals to Emerging Applications
- Fibers and Composites

## About Dubai, UAE

Dubai is one of the world's leading tourism destinations. It was the fourth most-visited city in the world based on the number of international visitors. This brings a level of cultural interaction that is rarely seen anywhere else in the world. Traveling to Dubai is one of the greatest anthropological experiences one can have, as it allows visitors to travel the entire world from one place.

**Food:** Dubai is famous for its delicious local cuisine, including classic brunches and international cuisine.

**Hotels and Resorts:** Dubai has a wide range of luxurious hotels and resorts that offer world-class amenities and services.

**Dubai Creek:** The Dubai Creek is a natural inlet that has been an important part of the city's history and culture.

**Dubai Aquarium:** The Dubai Aquarium is one of the largest indoor aquariums in the world and is home to a wide variety of marine life.

**Desert Safari:** A desert safari is a popular activity in Dubai that allows visitors to experience the beauty of the desert and enjoy activities such as dune bashing, camel riding, and sandboarding.

**Shopping:** Dubai is a shopper's paradise, with many malls and markets offering a wide range of products, from luxury brands to traditional handicrafts

**Adrenaline-filled experiences:** Dubai offers many thrilling activities, such as skydiving, indoor skiing, and water sports

**Safety:** The United Arab Emirates, including Dubai, is considered a safe destination for tourists.

Overall, Dubai has something to offer for everyone, from its stunning architecture and natural landscapes to its rich culture and exciting activities.

Dubai is a city of skyscrapers, ports, and beaches, where big business takes place alongside sun-seeking tourism.

***Here are some interesting facts about Dubai:***

Dubai is the most populous city in the United Arab Emirates (UAE) and the capital of the Emirate of Dubai. Dubai is a relatively tolerant and cosmopolitan city due to its large expatriate population, and the atmosphere is generally tolerant. Dubai is a relatively crime-free place where administrative efficiency and openness to business have encouraged astounding growth. Dubai is a very young and dry city. Humans have lived in the United Arab Emirates (UAE) for 125,000 years, yet it was not until the 18th century that the town we know today as Dubai was founded. Dubai is home to the world's tallest building, the Burj Khalifa, which stands at 828 meters (2,716 feet) tall. Dubai has a Minister for Happiness who is responsible for encouraging happiness among Dubai inhabitants. Dubai is known for its extravagant luxury and high-tech facilities. Dubai Creek is a natural inlet that has been an important part of the city's history and culture. Dubai is home to more than three million people, with over 200 nationalities represented. Dubai has invested heavily in development and construction plans designed to promote tourism, transport, and industry. Dubai is a shopper's paradise, with many malls and markets offering a wide range of products, from luxury brands to traditional handicrafts. Dubai is a city that has experienced astounding growth due to its administrative efficiency, openness to business, and diverse economy. Overall, Dubai is a city that offers a unique blend of modernity and tradition, with a rich history and culture that can be explored through its museums, traditional markets, and historic sites.

## Important Links

# Materials World 2025 Conference Registrations

## Registration Fee (Per Person) Academia Registration Fee:

Type	Before October 30st, , 2024	Before December 31 <sup>st</sup> , 2024	Final Call March 31 <sup>st</sup> , 2025
Only Registration	\$499	\$699	\$799
Poster Presentation	\$599	\$699	\$799
Listener/Delegate	\$649	\$749	\$849

## Student Registration Fee:

Type	Before October 30th, , 2024	Before December 31 <sup>st</sup> , 2024	Final Call March 31 <sup>st</sup> , 2025
Only Registration	\$499	\$599	\$699

## Sponsorship & Exhibition Registration:

Type	Before September 30 <sup>th</sup> , 2024	Before December 31 <sup>st</sup> , 2024	Final Call March 31 <sup>st</sup> , 2025
Sponsorship	\$2999	\$3499	\$3999
Exhibition	\$3499	\$3999	\$4499

## Registration fee Includes:

- One Presenter/Listener Slot
- Participation Certificate
- Access to conference sessions and panel discussion
- Conference Kit
- Access to all the conference rooms
- Access to Conference Recording & Photos
- University Logo placement on banners
- Abstract Book
- Access to all virtual conferences as Listener for one year from the date of conference.
- Lunch and coffees and snacks during the conference

# Conference Accommodations

Type of Accommodations	Amount in Dollars
Stay Pack A (Two Nights Stay)	\$799
Stay Pack B (Three Nights Stay)	\$949
Extra Person (Accompany)	\$249

## All Packages (A & B) includes:

- Complimentary Wi-Fi in the guest rooms
- Complimentary Breakfast
- Speaker/Listener Pass
- Participation Certificate
- Access to conference sessions and panel discussion
- Conference Kit
- Access to all the conference rooms
- Access to Conference Recordings & Photos
- University Logo placement on banners
- Abstract Book
- Access to all virtual conferences as a Listener for one year from the date of the conference

Materials World 2025 is an exciting opportunity to display the new technology, the new products of your company, and/or the service your industry may offer to a broad international audience. Materials World 2025 delivers over 100+ attendees from over 40 countries supporting the development and commercialization of innovations in the field of Chemistry. As an exhibitor, you will access the corporate executives, researchers, engineers, and commercialization leadership that rely on your products and services to develop these new technologies.

## Sponsorship

### Sponsorship Benefits

- Draped booth space of 3\*6 meters with priority to purchase exhibition space and choose booth location
- Two conference passes & Three booth personnel passes
- Web listing with link to your company website
- Publication of the exhibitor profile in the souvenir (2 A4 colour pages)
- Logo recognition in the scientific program, Conference banner and flyer.
- Participation in the One-on-One Partnering Program
- Acknowledgement during Opening Ceremony & Gala Dinner
- Speaker Opportunity in the conference program
- Company logo on all on-site signage
- An exclusive online Promotion on all our Social Networking Sites.
- Three inserts provided by the sponsor in the congress delegate bags

### Exhibitor Benefits

- Draped booth space of 3\*3 meters
- One conference passes & one booth personnel pass
- Web listing with link to your company website
- Publication of the exhibitor profile in the souvenir (1 A4 page)
- Logo recognition in the scientific program, Conference banner and flyer.
- One Presentation Slot about the organization.
- Advertisement Video on conference website

## Who Can Exhibit?

- Commercial Organizations
- Research Laboratories
- Universities/Institutes
- NGO's
- Start-up Companies
- Journal Publishers

Sponsorship powerfully influences the audiences more than any other tool. It is a direct cost-effective way to capture your target market. Aside from valuable brand exposure throughout the event campaign and during the event itself, sponsorship is your route to addressing our audience with your knowledge and experience through our unique programme of conference and learning sessions.

Our sponsorship packages are customized to our client's specifications. We understand that every business is unique and will work with you to develop a package that meets your business's individual goals and objectives.

## Why to Sponsor?

## Exhibitions allow you to advance all your marketing goals:

- Long term building
- Generating media coverage
- Engage with loyal customers
- Teaching new prospects about offerings
- Promote your services to potential clients
- Teaching new projects about your offerings
- Showcase your products to the event attendees
- Establish partnership with key players in the value chain
- Establish collaborations with other companies and individuals
- Identify prospective clients among conference attendees and organizations they represent

**Scientifink** is initiated for conducting online and Physical events globally. Scientifink, involves in planning, Organizing, and executing scientific events across the globe with people from different scientific backgrounds coming together and participating in these events. Our attendees include academicians, professors, students, and Industrialists whom they come together to join and share their knowledge. Our organization believes in imparting holistic and sustainable development with the mission to ignite young Turks and prepare them for future challenges.

Our focus is to make available scientific research articles in all areas of education easily accessible by researchers and academicians based on the open-access platform. We believe that the open-access model will create a dynamic space for learning, sharing, and stimulating research all around the world.

We provide the opportunity of free, unrestricted access to excellent research articles to academia, researchers, and interested individuals who seek knowledge and enlightenment. Mind Authors Inc. believes that knowledge should be easily accessible without restrictions. It understands the unique challenges faced by researchers in their work toward achieving their personal and professional fulfillment.
